Alain Pinel Realtors has partnered with REALTOR.com® to secure a strategic marketing position on the Internet's #1 real estate website.

All APR listings on REALTOR.com® are Company Showcase Listings - which increases your property's exposure on the Search Results Page and Listing Detail Page by giving us the ability to:

- Feature up to 25 jumbo photos of your property
- Create Open House Alerts to inform potential buyers when your home is being held open
- Generate email reports to show you how many potential buyers viewed your property
- Differentiate and enhance your listing with custom descriptions, animated headlines and full-motion video

Knowing that consumers are drawn to listings that offer multiple photos, virtual/video tours, and comprehensive property information, REALTOR.com has designed an engaging, high-traffic website. On average, nearly 6 million unique visitors spend 3 times longer on REALTOR.com each month than any other real estate site.
